A great many Americans, both men and women, are thin, pale and puny, with proor diroulation, because they have illigrated their stomachs by hasty eating the control of their stomach of the subject of factory, and in consequence the stomach must be treated in a natural way before they can rectify their earlier mistakes. The muscles in many such people, in fact in every weary, thin and thin-blooded person, do their work with great difficulty. As a result fatigue comes early, is extreme and lasts long. The demand for untritive aid is shead of the supply. To insure perfect health every tissue, bone, nerve and muscles should take from the blood certain materials and return to it certain others. It is necessary to make good, rich, red blood. We must go to Nature for the remedy. There were certain roots known to the Indians of this country before the advent of the whites which later came to the knowledge of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are now growing rapidly in professional favor for the energy of the settlers and which are not the provided of the settlers and their through the provided of the settlers and their through Trust to Nature.

Constipation

Baked sweet apples, with some people, bring prompt relief for Constigution. With others, coarte all-wheat bread will have the same effect. Stature undoubtedly has a vegetable remedy to relieve ever; aliment known to man, if physiciant can but find Natures way to health. And this is strikingly true with regard to Consilvation. The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this said. But combined with Egyptian Senna, Silppery Fim Bark, Solid Extract of Primes, etc., this same Cascara bark is given its greatest possible power to correct constitution. Death of Galusha A. Grow. Former Congressman Galusha A. Grow died at his home in Glenwood, Pa., yesterday afternoon as a result of a

general breakdown attributed of old age.

Mr. Grow was elected to Congress from the Walnut district of Pennsylvania as the youngest member of that body in 1851, and after retirement from public life for nearly 40 years he re-entered the House of Representatives as Congressman-at-large from Pennsylvanis, 14 years ago. When he retired four years ago his public service in the House extended over the longest period, al-though not continuous service, of any man who ever sat in that body.

During the ante-bellum days he was one of the best known men in the United States, and in 1864 he came within one vote of being nominated for Vice-President in place of Andrew Johnson, who succeeded to the presidency on the death of Abraham Lincoln.

Mr. Grow was elected Speaker of the House of Representatives in 1861 and occupied that position during the first two years of the war until his retirement from Congress in 1863.

Mr. Grow's greatest public service was as the "father" of the Homestead act, through which measure many millons of western farm lands were opened up to settlement by homesteaders, an act which has been credited with doing more than any other one thing for the develop ment of the great West.

Mr. Grow was the last surviving mem

ber of a family of six children. He never married.

A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 West Main St., says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more tives than all other throat and lung remedies sui together. Used as a cough cure the world over. Cures astima, bronchitis, croup, whooping cough, quinsy, hearseness, and phisic, stops hemorrhages of the lungs and builds them up. Guaranteed at E. S. Leadbegter & Son's drug store. 50c and \$1. Minister Suspended.

Because it is alleged he succumbed to the charm of Mies Eilen Newby, a pretty young milliner, whom he says he is preparing for foreign missionary work, Rev. Solon H. Bryan, pastor of the Methodist Church at Millen, Ga., and one of the most prominent ministers in Georgis, has been suspended and reported conference for trial on a charge of immorality.

Mrs. Bryan suspected that a warmer bond than foreign missions bound Miss Newby and her husband, and she re-proved the latter. Mr. Bryan stormed at his wife so loudly that neighbors over-heard. Presiding Elder Lovett went to Hymnals, Post Cards and Millen yesterday and held a preliminary trial, and Bryan was suspended. Au-gered by the outcome of the trial, Mr. Bryan went home and whipped his wife, so neighbors say. These neighbors had Bryan arrested for wife-beating and he

was placed in jail.

About 10 o'clock Saturday night Mrs. Bryan went to jail, gave bond for her husband, and took him home. She says she did not want the father of her baby in juil. Mrs. Bryan has a small fortune and is very pretty.
